CB reported that she had received a message from Dorking Wanderers thanking her for sharing her concerns at the provision for away fans at the recent fixture.

She reported that there had only been the one trip since the last meeting, to Banbury which ran at a small profit. Unfortunately the evening trip to Slough was cancelled as there had been only four bookings.

For the upcoming trip to Dulwich 17 had already booked but two had subsequently cancelled. After some discussion it was agreed that the coach would have to be cancelled.

It was agreed that another survey of supporters might be useful as a means of finding out what may persuade more to use the coach and avoid further cancellations.

**Action point** – AD to investigate Survey Monkey as a means of doing this.

**Action point** – MP to send the last survey to CB
